

PORTRAIT PACKAGES

Individual Portrait Package.....\$375

This fun package includes 90 minutes of shooting time on location, creative post editing on individual images as well as 3 collages, a spiral bound proof book, as well as a \$100 print credit. Perfect for seniors, models, portfolios, children, and more!

Belly's and Babies.....\$500

Expecting a baby? Don't miss out on those fabulous belly shots with a shoot scheduled a few months before the baby is due. Then another just after the baby is born complete with shots of little hands and feet and your arms wrapped around your little one. Both shoots include 1 hour of shooting in the comfort of your home or the studio. Both include creative editing of your choice (with collages), a specially designed birth announcement, as well as an 8x8 custom designed album of images from both shoots.

Baby's First Year Portrait Club.....\$80 (per shoot)

It's the first year of your baby's life! Don't miss a moment of the changes and growth of each month of that year! By joining the Baby's First Year Portrait Club you get several special perks! It's priced per-shoot so you can schedule one every month, every-other-month, or whenever you'd like. Your very first shoot comes with a specially designed announcement of your child's birth. These special portrait shoots include 1 hour of shooting time and editing in your desired style. Club members also get an exclusive 40% off discount on all print and album orders. Your last shoot features a specially designed invitation to your child's first birthday party! Sign up today!

Business Portrait Package.....\$100

Need a head shot for your website or business cards? This simple shoot takes your style and sophistication to a new level. With custom editing from a simple, sleek polish to creative expression we can design and shoot a look for you that is beyond your brightest expectations! This package includes up to 1 hour of shooting time on location or in the studio, plus 3 free, high resolution image of your choice.
